

20 Malley Road, Scarborough, Ontario McDowell Electric's Home for Over Forty Years

McDowell Electric has been located at 20 Malley Road since the mid sixties. From that location, McDowell established a base of great clients within the "neighbourhood", in the Greater Toronto Area, as well as those across North America.

As our transition continues to evolve as a division of Robertson Bright Inc., a recent and exciting opportunity has arisen that has allowed us to move and combine the operations of McDowell Electric to newly expanded Robertson Bright head office facilities in Mississauga.

Our move will be completed by the end of September and as our operations have now moved to Mississauga, all correspondence, shipping and receiving should be changed to:

2875 Argentia Road, Unit #1 (First street south of 401, running east off Winston Churchill Blvd.)
Mississauga, Ontario
Canada
L5N 8G6

Phone 905-813-3005

Toll Free 1-877-813-3005

Fax 905-813-8878

Our current phone, fax and email addresses will continue to operate, but we recommend that you do update to the numbers shown above.

Thank you for your assistance in this regard as we look forward to serving you even better from our new home!

Dave Graham
Vice President Operations
Robertson Bright Inc.
& McDowell Electric
Division of the RBI Group of Companies
