

RBI VICE PRESIDENT ELECTED TO CANADIAN CONSTRUCTION ASSOCIATION (CCA) BOARD

MISSISSAUGA, Ontario, Canada June 2013

After serving for one year on the CCA Trade Contractors Council on behalf of the Greater Toronto Electrical Contractors Association (GTECA), RBI's VP Business Development Dave Graham has been elected to the CCA Board of Directors. The nomination was put forward and accepted at the CCA Annual Conference in March 2013 and as such Dave attended his first board meeting as a Director At Large at the June CCA series of meetings held in Kelowna, British Columbia.

"The mandate and service that CCA provides to the construction industry in Canada and beyond is fantastic through the collaborative efforts of CCA staff and members alike," Graham said. "It truly is a group that brings best practices in combination with the latest technology initiatives together and I am so pleased to participate and contribute to the betterment of the industry."
