PRESS RELEASE – ROBERTSON BRIGHT INC. TURNS SIXTY!

Mississauga ON, Canada – Wally Budgell - President, Robertson Bright Inc., is pleased to announce that 2014 marks the 60th anniversary of Robertson Bright Inc. (RBI)

Originally established as John L. Robertson Company Limited in 1954, RBI has since grown into an international multi-location electrical and communications contractor with branches in Ontario, Alberta and Nevada.

“It is with a great sense of pride that our entire team has contributed to the continued success and growth of RBI.” Budgell states enthusiastically; “It is truly a significant milestone to celebrate in which we intend to do in a variety of ways throughout 2014. Having said that, it does not mean we sit back on our laurels, quite the opposite in fact, as early signs indicate this could prove to be our year best ever. Diversity, ability, depth, integrity, history and stability....all key attributes that speak well of our organization and that make us a significant and desirable player in the construction and electrical service marketplace.”
