### **Announcing RBI's new Director of Pre-Construction**

RBI is very pleased to announce the appointment of Jason Bosnos, to the Home Office team in the role of Director of Pre-Construction. In this newly created role, Jason will drive the sales and estimating responsibilities associated with all of RBI's operational units.

Jason comes to RBI with over 25 years of experience in the electrical industry, holding positions with Bombard Electric, and most recently the role of Vice President at Sun City Electric in Las Vegas. We are very excited with Jason joining the RBI and how his contributions will perpetuate our ongoing organizational growth.
