Announcing RBI's new Regional General Manager for Ontario

RBI is very pleased to announce that Kirk Hochrein has joined the RBI team in Ontario as the Regional General Manager. In this leadership role, Kirk will guide the Ontario regional team to delight RBI's clients with impeccable customer service, prompt, accurate and detailed estimates, as well as safe, efficient and timely execution of projects.

Kirk brings further project management, business development, electrical and construction management expertise to RBI from a variety of organizations over his career. We are pleased to have Kirk directing the Ontario team to achieve our growth goals, and look forward to ongoing enhancements and improvements that will continue to provide class leading value and expertise for our clients.
