Announcing RBI's new Regional General Manager for Alberta

RBI is very pleased to announce that Jan Olsen has joined the RBI team in Calgary as the Regional General Manager. The next number of weeks and months will be a transitional period as Brian Stoddart departs from the role of the Alberta division General Manager and Jan gets acquainted with the group and is brought up to speed.

Jan comes to RBI with a tremendous array of experience in the electrical industry, having a significant focus on electrical service from his years as General Manager at Trotter and Morton, as Sales Manager and Electrical Services Consultant with TEGG Services Corporation and most recently as Business Development Manager with Ainsworth in Calgary. Jan has also been a business owner and entrepreneur all with a focus on electrical service.

We are excited to have Jan join the RBI team and look forward to the contributions that he will bring as a complement to the great team that we already have in place.

Jan can be reached at:

Tel 877-813-3005, ext 458
