Announcing RBI's new Regional General Manager for Alberta

RBI is pleased to announce that Lee Peet has joined the RBI team in Calgary as the Regional General Manager. We look forward to the developments that will be made as Lee acquaints himself with the group and helps to perpetuate the Alberta team to achieve our regional goals and our overall 2020 vision.

Lee comes to RBI with extensive experience in the electrical industry, having a significant focus on electrical maintenance from his years as General Manager at Surepoint Technologies, Director of Operations at Tarpon Energy Services, and most recently as the President of Tribal Energy Services in Calgary.

We are excited to have Lee leading the RBI team in Alberta and look forward to the contributions that he will bring as a complement to the team.

Lee can be reached at:
